**Additional Resources**

- ***Protecting God's Children: Safety Tips for Parents.*** This is a brochure that we developed and that is for parents or caretakers only! It has sensitive and explicit information, so it should not be displayed in a place where young children can access it.
- ***Promise to Protect, Pledge to Heal.*** This brochure was created by the U.S. Conference of Catholic Bishops to explain the Church's commitment to protecting children and to addressing the issue of abuse in the Church. It is a good resource for teachers and parents. It is available on our website and on the Diocese's website.
- **Resource List.** We have a list of resources on a variety of related topics. Please either visit our website or contact Debora.
